Kamala Harris DID NOT raise \$100 Million on her own. Biden donors threatened to freeze/froze \$90+ Mil of his campaign funds unless he steps down. Once this threat happened, he steps down and then proceeds to transfer those funds to Kamala. I guess to still get access to it.. Now they are currently under investigation for possibly violating Campaign Finance Laws. Democrat Extremist use a Non-Profit organization called Act Blue to set up their donation site to collect funds. Act Blue in the past has been fined for facilitating Illegal contributions. Data also shows that Act Blue has been using untraceable unemployed donors leading up to possible Money Laundering Operation.

RUBIO DEMANDS ANSWERS FROM FEC ON POTENTIAL ACTBLUE FRAUDULENT DONATIONS

ActBlue, a major fundraiser for the Democratic Party, has purportedly engaged in thousands of dollars in campaign donations through small donors, including senior citizens, via illegal contributions, without those donors' consent or awareness. Further, unlike nearly every other individual political campaign and political action committee, ActBlue does not require a card verification value (CVV) number as a requirement for donating. Requiring a CVV number as a condition of making an online transaction is standard practice across the e-commerce industry to reduce fraud and prevent unlawful foreign transactions. ActBlue must be held accountable for its apparent lack of security protocols.

U.S. Senator Marco Rubio (R-FL) sent a letter to the Federal Election Commission's Chairwoman and Vice Chairman, Dara Lindenbaum and Sean J. Cooksey, to demand answers on the platform's schemes to garner illegal campaign donations.

"It should come as no surprise that ActBlue serves as a vessel for fraud, considering the intentional lack of security engrained within their donation processes and systems." – **Senator Marco Rubio (R-FL)**

Go with me here-
Kamala Harris dropped out of the race in 2019
because she couldn't raise any money.
"Most unlikable candidate in history"

But 5 years later-
after years of doing absolutely nothing..
she smashes the fundraising record in 24 hours??

Nahhhh.
Not buying it.

James O'Keefe showed how ACTBLUE
is a Democrat money laundering scheme from billionaires.

Using common people's names and addresses..
without their permission or knowledge
to 'making donations'

Whoever is behind the scenes..
thinks we're dumb.

This is how Kamala Harris raised \$81 million in two days. Act blue is laundering money illegally by making donations and other peoples names that had previously made small donations.

Is someone a Conservative if they donate to Kamala Harris?

What about if they donate to Mayor Pete?

Act blue better never show up on my bank statement.

Nick Fiorentino do you still support Kamala Harris? Mayor Pete?

Accused Of 'MASSIVE Money Laundering Operation' As Trump Files FEC Complaint Over \$91M Transfer To Kamala

BY TYLER

Democrat donation platform ActBlue has been accused of engaging in a "MASSIVE money laundering operation," by which contributions from large donors are being funneled through **hundreds of thousands of small donations** made in the name of people who have no clue they've donated.

I'm told Harris campaign is already using ActBlue money laundering scheme, \$20 million from Johann Georg Wyss known as Hansjörg Wyss, born 19 September 1935, a Swiss billionaire, and was broken down into over 1,600,000 donations across 400,000 donors. Dirty! Dirty! Dirty!

For example, it took us no time at all to find a New Orleans resident named Cornelius Maneaux who's listed as "not employed" but nevertheless donated to ActBlue some 847 times between January 4, 2021 and December 31, 2022 in amounts ranging from \$1 to \$100 for a total of \$18,276.54.

And here's the house listed as the address on those donations. We found it by looking up the address on Google Maps.

Border Patrol agents were instructed to clean up the border and put on a "show" for Vice President Kamala Harris' first trip to the border, according to a new report. Despite being given broad license at and beyond the border as the so-called "border czar," Harris' first and only visit to the border came in June 2021.

Now it's becoming clear that even this brief visit did not give the vice president a true look at the crisis still unfolding at the border.
